HAITI EARTHQUAKE RELIEF

On Tuesday, January 12, a magnitude 7.0 earthquake rocked the island country of Haiti, primarily impacting the capital, Port-au-Prince. Offices, houses, hotels and shops have collapsed. Hospitals are overflowing and the search for survivors is intense. The streets of Haiti are filled with people in shock, searching for loved ones among the rubble.

Your help is needed for emergency relief and long-term recovery of the approximately 3 million lives (one-third of Haiti's population) impacted by this earthquake.

Your financial gift will be used for emergency relief volunteers, supplies and for the rebuilding of homes during long-term recovery efforts throughout 2010.
